

ECON-O-SLEEVE

Econ-O-Sleeve Hole Forms leave uniform holes for electrical, cables, plumbing, heating, air conditioning and other services.

FORM HOLES, DON'T DRILL 'EM!

THE ECON-O-SLEEVE consistently forms round, smooth, uniform holes. Econ-O-Sleeve forms come in a variety of diameters, and adjust for any slab thickness by stacking two or more together.

- Place holes before your pour. Save time and money.
- Can be used for both floors and walls.
- Made with slight taper for easy removal.
- Made of high density plastic-one piece construction.
- Will not shatter in cold weather.
- Easy to cut.
- Staple or nail through the flange in exact location you want.
