

TEST CYLINDER LIDS

The cover interlocks with the test cylinder to provide consistent and uniform curing. They help reduce mold deflection and provide consistency in mold shape. This ensures easy stripping from the mold.

Available for all sizes of test cylinders.

Made in the USA.

CAT#	DESCRIPTION	QTY / CARTON
L6D	6" DOMED LID	250
L6D-50		50
L6SD	6" SMALL RIM DOMED LID	250
L6SD-50		50
L6F	6" FLAT LID	250
L6F-50		50
L6SF	6" SMALL RIM FLAT LID	250
L6SF-50		50
L6HD	6" HIGH DOMED LID	200
L6HD-50		50
L4D	4" DOMED LID	300
L4D-75		75
L4DR	4" DOMED LARGE RIM LID	300
L4DR-75		75
L4F	4" FLAT LID	300
L4F-75		75
L4FR	4" FLAT LARGE RIM LID	300
L4FR-75		75
L4HD	4" HIGH DOMED LID	300
L4HD-75		75
L4H300	4" HEAVY WALL DOMED LID	300
L4H-75		75
L3F	3" FLAT LID	100
L2F	2" FLAT LID	100
