

DESLAURIERS

OUTSIDE DIAMETER FORMS

CAT#: OD

SCAN ME

Deslauriers Heavy Duty Steel Column Outside Diameter Forms develop an exceptionally smooth, hard surface remarkably free of voids and with a minimum number of indistinct seams. The forms are made of a galvanized constant radius steel half round sections.

Use our OD Forms to create built-in fire pits. It is also great for creating hole outs in concrete walls, floors or ceilings to allow pipe, wiring or other objects to be placed.

Available in multiple sizes. Please call or email us at sales@deslinc.com for a quote.
