

HARSCO BULLNOSE ADAPTER

THE DESLAURIERS LOGIK FORM BULLNOSE ADAPTER will allow Deslauriers standard column forms to be used with Harsco's Logik wall panels and a Logik wall form clamp.

The Harsco Bullnose Adapter is designed to draw Deslauriers round column forms flush with the inside of the Logik panel after securing the clamp.

The Logik Adapter is held in place by the Logik clamp keeping it from sliding during installation.

CAT#: HDS-HAR-ADPTR
